How to Play:

Print 3 copies of each page.  
Laminate for durability.  
Cut apart and shuffle.  
Deal all cards to players face down.  
At the same time both players turn their top cards over and place in the center of the table. If the cards match the first to, "SLAP" the matching cards wins the cards and all cards below them. If they don't match, each player reads their card outloud. Then both players draw another card to play in the center..... and so on until one player no longer has any cards.
