Game Assembly: Print out gumball machines onto colored paper. Print gumballs onto white paper then use a 1.5" paper punch to cut out. Mount title page and label to file folder.

Game Play: Each player chooses a gameboard. All gumballsare placed into a small (non see through) jar. Take turns drawing a gumball from the jar. Read the word and if it matches on of your gumballs you get to keep it. If not return the gumball and it's the next players turn. Game continues until one player fills their entire gumball machine (including their special candy ball at the bottom).
